INVITATION TO BID
FOR THE IMPLEMENTATION OF THE MOBILE NETWORK MODERNIZATION
PROJECT

On behalf of the Gambia Government, Gambia Telecommunications Cellular Company Ltd (GAMCEL) hereby launch a competitive bidding process to procure a private partner to provide an updated GSM Mobile Network for 3G, 4G and 5G services in order to accommodate a larger customer base and improve service delivery. The project shall have the following components:

- To provide a core network for 4G and 5G and upgrade current 3G core
- To provide a robust state of the art billing system
- To provide an access network that constitute 250 4G/3G embedded physical sites
- To provide an access network that constitute 25 5G physical sites

The proposed network modernization and enhancement project is designed to address Gamcel's network problems such as (coverage, access and quality of service), network stability (transmission, backhaul and power) and business support system/billing (revenue assurance, seamless service delivery, value added services-**VAS and 3rd party integration**) to meet the justified stakeholder's expectation.

In light of the above, interested firms are invited to bid for the implementation of the mobile network modernization project. A complete set of the bidding document will be supplied to interested bidders upon payment of a **non-refundable fee of USD 10,000.00 (Ten Thousand Dollars)** to **Gambia Telecommunications Cellular Company Limited (GAMCEL) 59th Franklin D Roosevelt Highway, KMC.**
